Team up to help a community partner!

Save those
toilet paper &
paper towel
rolls over the
Thanksgiving
holiday!

An example of the
art kids will make at
Tyler Arboretum with
our donations!

BRING TO CAMPUS
Monday,
Dec. 1st

This holiday season, our neighbors across the street at Tyler Arboretum are engaging children in a range of activities, including the creation of recycled art.

This week, as you go through rolls of toilet paper and paper towels with your family and Thanksgiving guests, please save the inner cardboard roll and bring your mini-collection to campus the Monday we return from the holiday.

Items can be dropped off at the Laboratory for Civic Engagement office (1st floor Main Building) and outside Dr. Guertin's office (TMZKO 102). Dr. G will also gladly swing by your office during common hour on Monday, 12/01, to pick up your rolls (leave message at x427 in the morning). Thank you!

Questions? Please contact Laura Guertin (guertin@psu.edu)
